JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Thursday - 30 June 1966

1. (Secret - GLC) [ ] USIB Secretariat, called concerning a memorandum which had been prepared for holders of NIE 11-2. [ ] mentioned that there is a problem of special classification material involved in passing this to the Joint Committee on Atomic Energy. Arrangements are being made to have a TS/Restricted Data version of the memorandum prepared for the JCAE along with an oral briefing. [ ] will keep us informed.

9. [ ] Discussed the [ ] with J. Garner Cline of the House Subcommittee on Immigration and Naturalization. Cline can foresee no difficulty with either bill on their merits, but believes that without outside pressure it is unlikely that either bill will be considered in the near future. In the case of the [ ] I shall suggest to the desk that the beneficiaries write their Congressmen asking for assistance.
